Dear Mr Dobrev,

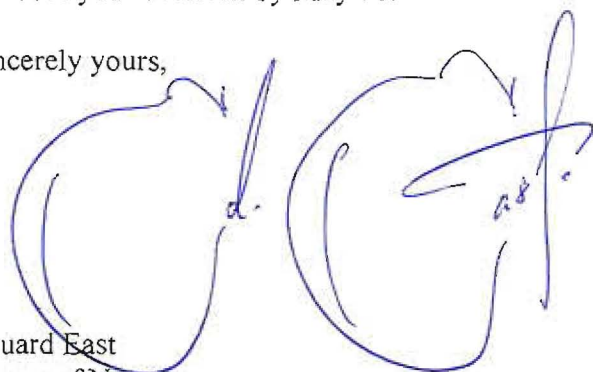

It is my pleasure to invite you and an accompanying person as honorable guests from our beautiful twin-city of Gorna Oryahovitsa to participate in the traditional Narva Days celebrations on June 5-7, 2015.

The programme of the Days, which this year have been organized in close cooperation with theater-festival "Baltiiski Dom" from St. Petersburg, includes plenty of festive events, concerts, performances of theatrical, dance and other groups of different genres as well as sport competitions (please find a preliminary programme of events in Russian attached as on a separate fax page).

As always, we will ask the delegates to join the traditional parade along the streets of the city on Saturday, June 6, and address the people of Narva on behalf of the citizens of Gorna Oryahovitsa.

We hope to receive your positive response to this invitation, upon which we will be able to agree on the details regarding your visit to Narva. We would kindly ask you to inform us about your decision by May 10.

Sincerely yours,

Eduard East
Mayor of Narva
