

## NARVA LINNAVALITSUS

Mr Pertti Lintunen  
Mayor of Imatra  
Finland

Dear Mr Pertti Lintunen,

We were deeply shocked yesterday by the sad news about the shootings in Imatra, when a gunned man claimed the lives of three innocent people of your city: the Chairwoman of the City Council, Ms Wilen-Jappinen, and two journalists.

It is very hard to believe that someone could so ruthlessly be able to take another's life with no apparent reason. The bluntness of the crime makes our minds rage with indignation and our hearts fill with pain and sorrow.

Please convey our heart-felt sympathy and condolences to the relatives of the victims and all the people of Imatra, with whom we, the members of the City Council and City Government as well as everyone in Narva, feel a special bond that people of both towns managed to develop during the years of our cooperation in the City Twins Association and beyond.

Our prayers are with the loved ones of the three wonderful members of your community as well as every person in Imatra at this sad time.

With deepest sympathy,

Narva City Government
